

E-Net Philippines Statement of Support

Abutin Na10 - Para sa Sampung Milyong Mag-aaral, Sampung Piso, Sampung Araw, Sampung Milyong Pilipino

E-Net Philippines supports the alliance between World Vision Foundation and Department of Education in launching today, 30 June 2020, the fundraising campaign dubbed as “***Abutin Na10 – Para sa Sampung Milyong Mag-aaral, Sampung Piso, Sampung Araw, Sampung Milyong Pilipino,***” that encourages partners and concerned citizens to contribute 10 Pesos for 10 days or 200 Pesos for two weeks to raise funds to support the implementation of DepEd’s Learning Continuity Plan (LCP) particularly the printing of **Self-Learning Materials and Procurement of Gadgets** to support LCPs distance learning and home schooling modalities.

As a national coalition in promoting and ensuring inclusive, equitable and quality education for all in its policy advocacy engagements, we are one with you to continue and deliver learning even in time of pandemic and in the context of new normal especially to the marginalized, excluded and vulnerable sectors. Continuing provision of learning and education is one of the crucial strategies in overcoming disruptions brought about by this pandemic and in building a better and more progressive education system and in achieving the national recovery measures.

We look forward to the success of this campaign and in bringing together all education champions and stakeholders to take active participation and action to this timely, much needed and innovative initiative.

Respectfully yours,

PROF. FLORA ARELLANO
President, E-Net Philippines
